## V. Official Policies of the University of California at Berkeley

All students must abide by the *Berkeley Campus Code of Student Conduct* <https://sa.berkeley.edu/code-of-conduct>.

**Statement of Accommodation.** The University of California at Berkeley provides reasonable accommodations to students with disabilities through the Disabled Students' Program (<https://dsp.berkeley.edu>). For more information regarding these services, please contact the staff in the Disabled Students' Program via telephone at 510.642.0518, visit in person at 260 Cesar Chavez Student Center, or email at [dsp@berkeley.edu](mailto:dsp@berkeley.edu).

**Accommodation of Religious Creed.** The University of California at Berkeley is compliant with Education code, Section 92640(a) and permits any student to undergo a test or examination, without penalty, at a time when that activity would not violate the student's religious creed, unless administering the examination at an alternative time would impose an undue hardship which could not reasonably have been avoided (see <https://sa.berkeley.edu/uga/religion> for detailed information).

**Academic Integrity.** "You are a member of an academic community at one of the world's leading research universities. Universities like Berkeley create knowledge that has a lasting impact in the world of ideas and on the lives of others; such knowledge can come from an undergraduate paper as well as the lab of an internationally known professor. One of the most important values of an academic community is the balance between the free flow of ideas and the respect for the intellectual property of others. Researchers don't use one another's research without permission; scholars and students always use proper citations in papers; professors may not circulate or publish student papers without the writer's permission; and students may not circulate or post materials (handouts, exams, syllabi--any class materials) from their classes without the written permission of the instructor.

**Scheduling Conflicts.** Please notify the instructor in writing by the second week of the term about any known or potential extracurricular conflicts (such as religious observances, graduate or medical school interviews, or team activities). The instructor shall try his or her best to help you with making accommodations, but cannot promise them in all cases. In the event there is no mutually workable solution, you may be dropped from the course. (For more information, see the *Guidelines Concerning Scheduling Conflicts with Academic Requirements* <https://academic-senate.berkeley.edu/sites/default/files/guide-acad-sched-conflicts-final-2014.pdf>).

**VI. Safety and Emergency Preparedness.** The University of California at Berkeley has numerous contacts for emergency situations. In the event of an emergency, the following information may be helpful (See <http://emergency.berkeley.edu/contacts.shtml>).
